

### **About us:**

Mahabaleshwar is the most sought after hill station in the Sahyadri hills of western Maharashtra; owing to its cool climate, dense rain-forests and proximity to major cities like Mumbai and Pune. With a spectacular position set high on a cliff, **Bella Vista Resort** offers an incredible view over the green tree covers of the Wilson point, Lingmala valley and across to the hills extending to Panchgani.

This ultra chic hotel combines traditional local and contemporary décor, creating a spacious, exotic and calming ambience. The rooms are tastefully done, surrounded by sumptuous greens and most with spacious balconies overlooking the panorama.

The resort is designed to suit both family holidayers and the corporate business traveler. Away from the din of the overflowing streets, it provides a complete refreshing experience to the holiday makers. Our state of the art and well equipped conference halls make it a preferred MICE destination with a selection of meeting facilities and capacity to accommodate a private meeting of 10 pax to a maximum of 200 pax for conference and exhibitions. Set in a beautiful lush green landscape, with serene and tranquil surrounding, Bella Vista is an ideal venue for meeting and team-building programmes.

'K&C' the multi-cuisine Restaurant promises a romantic dining experience. The menu embraces a modern style, open to new influences, with food variety ranging from local & international cuisine to an authentic Indian palate. Its understated style creates an ambience of intimate dining experience.

### **A brilliant MICE venue:**

Bella Vista offers a wide range of options for corporate events, Off-sites, meetings, conferences or general events as such. With an ultra modern multi-function hall of 1850 square feet, conferences of different shapes and sizes ranging from 10 to 200 can be organized with ease. Our Open areas including a 6000 square feet lawn and the 3000 square feet terrace lawn not only command a fantastic view of the valley but also give high functionality for outdoor events. And all this is backed up with our professional services to make your events a great success.

### **Rooms:**

Our rooms are designed to keep the ease of movement in mind, so they are spacious with enough free movement space. The furniture is elegant, well placed and just enough to avoid the claustrophobic feeling. The satellite TV channels are the best available, so you miss none of your favourite programs, though the great view from your balcony may compel you to do so! The bathrooms are well designed and fitted with the best sanitary fixture with roomy shower cubicle to separate the wet area.
